# Hoof Clinic ASMR

Satisfy yourself and your horse by cleaning it's hoof!

Submitted by <Yash More / Makra>

\*Please note you might be asked to adjust Unity and Xcode version through publishing stages

# The Game in a Nutshell

## The Basics

Player will clean the hoof of the horse in a similar fashion to the satisfying hoof picking videos trending online.

## Sub Genre

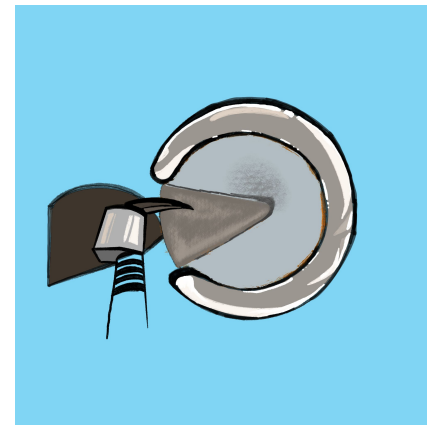

Role playing / ASMR

## Mechanic

Puzzle

## Controls

Touch & Swipe

# Difficulty and Progress

## How do I progress at this game?

- Better and unique cleaning tools will be available as the game continues.
- The difficulty level of cleaning the hooves will get high as the game progresses.

## Lose Conditions

- Just like the Body crack ASMR game, using wrong tool on horse's feet can cause damage to horse's body and the player will lose the game on such repeated mistakes. Fight against time.

# The Video Ad

## What are we going to see in the ad?

- Gameplay footage of a level where the horse owner will be cleaning the feet (with ASMR sounds) of the horse and the horse feels relieved and the doctor is rewarded.
- A pro vs noob clip where one player is cleaning the feet flawlessly by using the correct tools and the other one is using the wrong tools and hurting the horse.
- Footage of wrong and silly moves to tempt the viewer into having confidence to crack the game.
